CALL US - BEFORE
YOUR EX DOES!

A

Yes, we do! Unbundled services – also called limited scope services - give you the choice of picking what you need at any given time. For example, you may need help on some of these: your pleadings, or court procedure, or attendance at court.

Unbundled services make the Family Court legal process affordable, as you can manage within your own budget and choose selected assistance on an hourly rate. Some examples:

1. Drafting pleadings
2. Reviewing pleadings you have drafted
3. Identifying your goals and how to explain them to the court
4. Preparing for court

5. Navigating the court system and procedures
6. How to do negotiation and settlement
7. Strategies and tools for success for your case
8. Identifying resources you can use such as parenting plans
9. Organizing your evidence
10. Legal coaching

Shank Law is very excited about unbundled services. This gives you the power and skills to advance your own case, where a full menu of legal services just isn't in the budget. Our hourly rates are very reasonable. Call us today!

Q

I hear that some lawyers offer unbundled services? Do you do that? I can't afford a full-time lawyer, but I need help with my ex!
